RATIONALE:

Carraragarmungee Primary School is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

It is fundamental to acknowledge that each teacher is a vital source of support and a determinant in the success of their students. The teachers at this school will work collectively to ensure that students feel valued and cared for, have meaningful opportunities to contribute to the school and can effectively engage with their learning. This school recognises the need to be engaging and inclusive, recognising and responding to the diverse needs of our students,

accommodating different learning profiles and rates of learning and intervening early to identify and respond to individual student needs.

Our school strives to be a learning community where students and teachers can relate well to each other, and where different ideas and viewpoints are valued and respected.

Our heterogeneous profile means that in any given class a range of student ability exists, in some cases spanning five years. Within this diversity, our school aims to challenge all students to become optimistic, resilient, creative and critical thinkers. We seek to promote our school values of Courage, Aspire, Respect, Relate and Achieve throughout the curriculum, in co-curricular activities, and in our daily operations.

Our teaching and learning philosophy is based around our 4Rs. That is:

- Relationships are an essential component of effective learning and teaching
- The teaching and learning is relevant to each student's interests, lives and aspirations
- The teaching and learning is rigorous, and each teacher will make a commitment to appropriately support, build and challenge every student
- Our practices are responsive to contemporary research and innovation.

Our school grounds are surrounded on three sides by farmland, and our community is a supportive community. Most students that attend our school live locally and either catch the school bus or are driven to school as the nearest settlements are 6-8 km from our school. Carragarmungee Primary
